How We Made the Post Gazette Top 50

As a community bank, we know that our money isn't any greener than the big banks money. However, we feel that we make a difference by knowing our customers, helping them meet their financial goals and by providing a friendly place to bank.

I think it is important for you to know that despite all of the bad financial news that we all hear and see; our Bank has been in business over 100 years and is financially strong.

Our Bank did not:

- Accept any government bailout money.
- Engage in any irresponsible lending.
- Foreclose on any home last year. In addition, we presently have no loans in foreclosure.

Congratulations to the \$100 VISA Gift Card Winners of our December 100th Anniversary Drawings!

SPOTLIGHTING

Baierl Family YMCA

Campaign for Strong Communities – 2009

West View Savings Bank's commitment to community service is important and evidenced by the on-going work done with the Baierl Family YMCA. From the YMCA's early years in its small program center to their current days as a community jewel in Franklin Park, Vice President of West View Savings Bank, Bernie Lefke has been a dedicated volunteer. Serving in many different capacities on the YMCA's board of management, since 1981, Bernie has and continues to be an important part of West View's continual reinvestment into our community.

On March 10, 2009, the Baierl Family YMCA kicked-off their annual Campaign for Strong Communities. Last year, our YMCA provided over \$150,000 in assistance so that those unable to pay a full membership or program fee would be able to be a part of our YMCA family. One of the greatest examples of this is our Camp High Hopes program which serves children with special needs each summer for six weeks. This is not only an important opportunity for the kids to be together and have some fun, but is also a great chance for families to be provided with some much needed respite care for a few weeks.

This year our goal is to raise \$180,000. These funds will determine how much of a difference the YMCA can make in our community. This campaign is not about raising money. It's about the opportunities that each gift will create for a member of our community. It is about the kids who will thrive in summer camp; the children who will be protected because they learned to swim; the parents who can go to work with peace of mind because their children are in YMCA child care and so much more!

A contribution to this year's Campaign for Strong Communities will mean the world for someone tomorrow. Each contribution raised for the Campaign for Strong Communities will either directly impact someone in our community or allow us to share our wonderful community with someone deserving. These gifts are used to provide scholarships for programs that we charge for and to help us continue to provide programs that are offered without charge or at reduced fees.

Please, if you have not had the opportunity to visit recently, take the time to stop by and visit. Our building may be changing and growing, but we are here continuing to serve our members and program participants. Our improved facilities will be a wonderful tool with which to do our work. Remember though, the building is just that, a tool. Without your generosity and thoughtfulness, there would be many in our community who would be unable to enjoy it.

Thank you for considering helping the Baierl Family YMCA build strong kids, strong families and strong communities!

CHICKEN WITH BROCCOLI and ZITI

2 large chicken breasts, cut into strips
 2 cups broccoli flowerets
 ¼ cup olive oil
 1-2 cloves garlic, slivered
 Salt and pepper to taste
 ¼ cup milk
 2 tablespoons unsalted butter
 ½ cup freshly grated Parmesan cheese
 ½ lb. ziti
 Red pepper flakes (optional)

1. Heat olive oil in a large skillet over medium heat. Sauté the chicken with the garlic, salt and pepper until lightly browned.
2. Add the broccoli flowerets. Toss with the chicken and adjust seasonings. Cook and stir for 1 minute.
3. Add 1/4 cup milk and 1/4 grated Parmesan cheese. Using high heat, quickly toss all ingredients until a nice milky sauce has formed (1-2 minutes).
4. Cook the ziti according to package directions. Drain, but do not rinse.
5. Toss ziti with the butter. Add to the chicken and broccoli and toss gently. Sprinkle with the remaining Parmesan cheese, red pepper flakes, and salt and pepper to taste.
