

WEST VIEW SAVINGS BANK  
9001 PERRY HIGHWAY  
PITTSBURGH, PA 15237  
412-364-1911

Dear Checking Account Customer:

The Federal Reserve Bank Board of Governors is amending the routing number guide to delete the reference to the head office of the Federal Reserve Bank of Atlanta and to reassign the routing symbols under that office to the head office of the Federal Reserve Bank of Cleveland.

Effective February 27, 2010 all checks will now be processed through the Federal Reserve Bank of Cleveland. Therefore all domestic checks presented will have a "local float".

West View Savings Bank will continue to make the first \$200.00, effective July 21, 2011, from a deposit of a local check available on the first business day after the date of deposit. The remaining funds will be available on the second business day after the day of deposit.

If you have any further questions, please contact your local branch office.
